

Sauna Heater

Sauna heater

GSH-3	3KW,Stainless steel with digital external control
GSH-4.5	4.5KW,Stainless with digital external control
GSH-6	6KW,Stainless steel with digital external control
GSH-8	8KW,Stainless steel with digital external control
GSH-9	9KW,Stainless steel with digital external control
GSH-10.5	10.5KW,6 high quality tubes (including digital external controller and connector)
GSH-12	12KW,6 thigh quality tubes (including digital external controller and connector)
GSH-15	15KW,6 high quality tubes (including digital external controller and connector)
GSH-18	18KW,6 high quality tubes (including digital external controller and connector)
GSH-18	18KW,9 high quality tubes (including digital external controller and connector)
GSH-21	21KW,9 high quality tubes (including digital external controller and connector)
GSH-24	24KW,9 high quality tubes (including digital external controller and connector)
GSH-27	27KW,9 high quality tubes (including digital external controller and connector)
GSH-24	24KW,12 high quality tubes (including digital external controller and connector)
GSH-27	27KW,12 high quality tubes (including digital external controller and connector)
GSH-30	30KW,12 high quality tubes (including digital external controller and connector)
GSH-33	33KW,12 high quality tubes (including digital external controller and connector)
GSH-36	36KW,12 high quality tubes (including digital external controller and connector)
